

## **POLICY AND PROCEDURE 26 NK INSTITUTE SUSTAINABILITY POLICY**

### **Purpose and Scope**

The purpose of this policy is to optimise its sustainable practices and minimise the economic impacts of climate change, and become a leader in community engagement and education for sustainability, in line with the NK Institute Sustainability Strategy and Plan.

### **Policy Statement**

NK Institute management is committed to:

- Working towards environmental sustainability
- Establishing, promoting and maintaining a culture of sustainability and environmental responsibility
- Using renewable energy and resources
- Recycling waste
- Consider and minimise the impact of our activities on the environment and work towards environmental best practice
- Undertake its business in an environmentally sustainable manner
- Exceed the requirements of environmental laws and regulations
- Environmental sustainability will be specifically supported in all of NK Institute's plans, strategies and services

### **Roles and Responsibilities**

The CEO and/or the Training Manager are responsible for implementing this policy and updating the NK Institute Sustainability Strategy and Plan

### **POLICY & PROCEDURE 26 VERSION CONTROL**
